an obedience idiot is filled with almost entirely with lies, having no anchor to truth or reality whatsoever.

Almost everyone you know is an obedience idiot. The endless, merciless pounding of psychological operations, fear campaigns and "crisis governance" has turned the vast majority of people into mindless compliance robots who go along with whatever absurd demand being placed on them by rogue governments. (Such as "all pregnant women must receive COVID vaccines" or "all school children need to wear masks and be isolated from each other.")

Frighteningly, **obedience idiots rarely realize they are obedience idiots**. That's because the rational part of their mind has been either bypassed or nullified through careful "fear engineering" by the regimes in power. That's why the following list might be helpful for certain people to self-diagnose their obedience idiocy... if they dare.

Top ten signs you might be an obedience idiot

#1) You immediately take every vaccine shot pushed by the (pharma-funded) corporate media and authoritarian government, because you naively believe they want what's best for you. You require no evidence of safety or efficacy and you don't read vaccine insert sheets. You take the shots solely because you are obedient.

2) You keep all your assets in fiat currency / US dollars because you think alternative assets -- gold, silver, crypto -- are untrustworthy... even while your US dollars are losing nearly 2% per month in purchasing power. You will hold on to dollars until the very end, when they become worthless thanks to money printing devaluation / hyperinflation.

3) You hate Donald J. Trump because your emotional state is easily manipulated by the corporate media which has conspired with the lying deep state to try to destroy Trump for years. Your emotions are fully controlled by the CIA-run corporate media and you have been programmed like a Pavlovian dog to invoke hatred at the sight of Trump.

4) You use Google as your search engine and you believe all the globalist-funded "fact checkers" on Facebook and YouTube. You believe "authoritative sources" even though they routinely and maliciously lie, and you despise the alternative media that tells the truth. You are programmed, in other words, to automatically believe official *lies* while rejecting obvious *truth*.

5) You've been brainwashed into thinking carbon dioxide -- the molecule responsible for

think government surveillance of private citizens is necessary for "public safety" and you gladly give up your privacy in exchange for the illusion of security. You also probably don't mind being micro-chipped.

7) You have no idea that Joe Biden received \$20 million in bribes from foreign entities because you only watch the CIA-controlled corporate media, and they aren't reporting on the Biden crime cartel bribery scandal. You also think that cocaine in the White House somehow had nothing to do with Hunter Biden.

8) You are dumb enough to literally believe that a man can become a woman, and you think that men can get pregnant. You also think that a child can consent to have their genitals mutilated and sliced off in order to achieve "gender affirmation" status. You think the government is the appropriate place to promote the LGBT cult – a kind of twisted religion – even though you despise Christianity and would never want government to promote the Bible or wave Bible flags all over the place. But LGBT pedophile flags are perfectly okay with you because you think grooming children is "inclusive." Beyond merely being an obedience idiot, if you worship the LGBT agenda, you are actually **a member of a dangerous cult**.

9) You refuse to see the evil in anyone other than Donald Trump supporters or Christians, and you think that "good intentions" from those in power will always produce positive results, even if it means denying people freedom and liberty. You think nearly all criminals should be released onto the streets to be given yet another chance, and you refuse to hold anyone accountable for their criminal behavior. You naively believe that the Biden regime wants to *help* the American people rather than destroy America, and you are convinced that Big Pharma's vaccines are expressions of love and healing rather than the actual **depopulation bioweapons** they truly are.

10) You support the tyrannical dictatorship of Ukraine while believing you are "defending freedom" even though Ukraine's corrupt government has outlawed all opposition media and opposing political parties, creating a one-party dictatorial state. You think sending more guns to Ukraine and defending Ukraine's borders is awesome, but you think Americans should have no guns and no border protection. That's because you're a compliant idiot who can hold two opposing thoughts in your head at the same time and somehow believe both of them are true.

Don't be an obedience idiot

- Public schools and universities breed obedience idiots. If you have children or grandchildren, don't allow them to be brainwashed in government schools. School them locally and privately instead.

flag, or vaccine icons, etc. Every "new thing" that sweeps across the mindless masses is, almost by definition, another psy-op for obedient idiots.

- If you find yourself agreeing with your family members and friends who you've known to be obedience idiots, check yourself. Have you been suckered into mindless compliance on some issue? Jolt yourself awake from the hypnosis and reassert critical thinking. This will break the spell and restore your rationality.

- Nearly *everything* the mainstream media tells you is an engineered lie. This is why Fox News had to fire Tucker Carlson -- because he was uttering too much truth for the Fox globalists to stomach. (Tucker is going to launch his own media empire, so he gets the last laugh.)

Today, people crave social-media acceptance over all else. They refuse to think critically and blindly accept the narrative. Stanley Milgram proved it in the 1960s, that upwards of 85% of people will blindly follow the guidance of a perceived authority figure. People have become
